

CARVING THE FUTURE

ATHLETES:

- Improve your free-skiing
- Learn-to and/or improve your skiing in gates
- Work with a national team coach
- Learn how to take care of your ski equipment
- Participate in a race

COACHES/INSTRUCTORS:

- Assist in coaching and supporting athletes
- Provide feedback to athletes
- Learn how a para-alpine athlete trains
- Opportunity to lead on-snow sessions

OUR VISION:

- To bring skiers who want to learn more about ski racing together on snow
- To teach athletes what is required to be a ski racer and what it takes to become the next Paralympic champion
- To provide opportunity for coaches to learn more about ski racing and the unique elements of coaching para athletes.

Come out and try a few days of entry level ski racing at a CARVING THE FUTURE camp near you! Alpine Canada Alpin would like to invite you to learn what ski racing is all about!

WHAT'S REQUIRED:

Provide own ski equipment.

helmets are mandatory

To be able to comfortably ski a blue run without assistance or supervision. If this is something you are uncomfortable with, you are welcome to bring an assistant to help you.

To cover the cost for your own transportation to the hill, as well as your lift tickets, food and accommodation required for the camp.

To Register for any event or for more information, please contact Mark Newton
